

House Resolution No. 2946

Whereas, Sherry Huffman brought to Hartville schools a wealth of knowledge, skills, and experience which she had garnered through studiously applying herself to a course of action which resulted in a Bachelor of Science degree in elementary education from the University of Missouri-Columbia (MU), a Master's degree in education administration from Drury University, and post-graduate credits from MU; and

Whereas, Sherry Huffman served the students and parents of Hartville for eleven years as a third or fifth grade teacher and for ten years as the Elementary Principal; and

Whereas, in support of the highest standards of performance and conduct in her chosen field, Sherry Huffman has been an active member of Missouri State Teachers Association, Missouri Association of Elementary School Principals, Southwest Association of Elementary School Principals, and Sub District E Elementary Principals; and
